Thanks, dear Mrs Stone,
from Mrs. Channing & my-
self, for your invitation
to the Garrison greeting!
It is not in our power to
go. Boston indeed should
show honor to Mr. Garrison
on that day. How wonder-
ful the contrast between
that time & this! What a
lesson of faith, hope & courage!
I was very sorry not to be in
the suffrage convention when
you were here. The Woman's
Congress did a great enlight-
ening work here for us. -
Truly & gratefully Yrs.

Mrs F. Channing.
